

Shangrila de Boracay

Sets to open late 2008, Shangri-La's Boracay Resort & Spa will serve new dimensions in luxury and leisure to this fabulous tropical destination, with a classic yet modern architectural style confined with local cultural influences.

Situated in the northern part of Boracay Beach, the resort's secluded place enjoys 350 metres of beachfront and 12 hectares of grounds that are habitat to a number of interesting and rare wildlife species. Boracay is just a short 45-minute flight south of Manila, with a further 30-minute combined land-and-sea transfer time between Caticlan airport and the resort. Other Services Offered:

We Accept Contract and Sub-contract Sewing Projects.

We Accept AutoCAD and other Graphic Projects.
